

Weathershield will extend the maximum available discount to all FSR IGC projects. The discounted pricing will be represented in the proposal and based on the agreed upon SCOPE of the proposal and overall buying power of FSR.

Weathershield will provide 1 Project Manager/POC for every IGC project.

Weathershield will provide weekly progress reports with pictures of IGC Projects.

Weathershield will provide 1 year warranty on all labor and will work on behalf of the association to ensure that all manufacturer product warranties are upheld.

Weathershield is a comprehensive “1 stop shop” for all facade restoration.
